U1-4MP-OWLD

Guard Series 4MP Wise-ISP 24/7 Color Vandal Dome IP Security Camera with a 2.8mm Fixed Lens

Hindsight2020
Security Services

Product Specifications	
Camera Type	IP
Form Factor	Dome
Resolution	4MP
Max Resolution	2560 x 1440
Frames Per Second	25 fps
Lens Type	2.8mm Fixed Lens
Weatherproof Rating	IP67
Artificial Intelligence	Yes

- **Ultra-Low Light Performance:** Equipped with a large 1/1.8" CMOS sensor and an F1.0 fixed aperture lens, this 24/7 color camera captures maximum light to produce bright, clear images even in near-total darkness. Say goodbye to grainy, washed-out night footage.
- **Wise-ISP Technology:** Utilizing advanced AI algorithms, Wise-ISP technology enhances image clarity and brightness while minimizing digital noise and smearing. This ensures that every detail is captured with precision, regardless of the time of day.
- **4MP Resolution:** With a resolution of 4MP (2688*1520 at 25fps), the 24/7 Color Vandal Dome Camera delivers sharp, detailed video that makes identifying faces and other critical details easier than ever.
- **24/7 Color Imaging:** Unlike traditional cameras that rely on infrared or white lights for night vision, this 24/7 color camera maintains full-color imaging around the clock, offering superior situational awareness without the need for IR or white lights.
- **Dynamic Range:** The camera’s 120dB true Wide Dynamic Range (WDR) ensures excellent performance in challenging lighting conditions, effectively balancing out shadows and highlights for more accurate images.
- **Robust Design:** Built to withstand the elements, the 24/7 Color Vandal Dome Camera is IP67 weatherproof and IK10 vandal-resistant, making it an ideal choice for both indoor and outdoor installations.

Its compact, rugged design adds an extra layer of security.

- **Easy Integration:** Compatible with a wide range of network protocols and management systems, this camera integrates seamlessly into existing security setups, offering flexible and scalable solutions for any environment.
